On Wednesday, April 18th

Ted & Co. will be performing Listening for Grace at St. Paul's United Methodist. In Listening for Grace, Ted Swartz uses his distinctive humor and insight to give voice to our fears and hopes when a faith community engages in questions around sexuality and same-sex relationships. Accompanied by Justin Yoder on cello and Phillip Martin on piano, this story comes to life, inviting audiences into one father's journey, a church's struggle and a search for commonality.

On Thursday, April 19th

Ted & Co. will be performing their newest show, Discovery: A Comic Lament, hosted at State College Presbyterian Church. This show is a play about the Doctrine of Discovery, the legal framework that justifies theft of land and oppression of Indigenous Peoples. It finds unexpected humor at the crossroads of justice and land use, offering both comic and challenging glimpses into the absurdity of white settler oppression of Indigenous Peoples and the land we live on. A show about love, and loss, of land, Discovery nudges us to question our stories with honesty and integrity.
